ACCESS CONTROL

Golfscape, communication via the App or SMS system confirming tee times and any other relevant information.

SPEEDY ACCESS
Track who is entering and exiting the estate. And link the generated pin code to a specific golfer.

COMMUNICATION
Provides an effective way to communicate to visitors through Push Notifications & Newsletters.

BOOKINGS
A visitor can make a live booking at a club through the application on a timesheet.

PAYMENT SOLUTIONS
The visitor will have the ability to pay through the app spending account if the club allows.

VISITOR MANAGEMENT
The ability to view club & profile history, invoices and activity.
